

### ***Spring Garden Band Mission***

*The mission of the Spring Garden Band is to perpetuate its tradition of live, high quality performances of music for the benefit, education and enjoyment of all people, to promote and demonstrate the continuing relevance of modern and traditional concert band music, and to preserve the history of the Band's origins.*

### ***Spring Garden Band Fund Raising***

*As with many other community non-profit organizations, the Spring Garden Band needs to raise funds to continue its program of free and low-cost public concerts. Therefore, we are offering the community an opportunity to support the good works of the band by becoming a patron. We will produce a program for each of our concerts. The program will include our play list for that performance and also a listing of our patrons, both business and personal. This would be a wonderful way for you to let others know that you or your business supports the work we are doing in our community. Your name will appear in our programs for one full year. A receipt for your tax deductible donation can be provided.*
